

13 APRIL 99
I am asking, as a ~~consumer~~ RE DECRET # 98N-
consumer, that the FDA resist 1038
pressures from industry to reduce or
eliminate labelling of irradiated food.
They want to act as if it's the norm,
no different than other methods of
food processing. But ¹¹⁻³⁻⁵⁴ ⁹⁹ ^{APR 20} ^{10 43} as a consumer,
I deserve clear information to
support customer choice to purchase
or not purchase "naked food", as I see
fit. A. Kelley, Seattle, WA
